

INVESTMENT

The Ubungo district Council has many interesting areas with favourable indicators for further development, by developing these areas the council could generate big income and as a result could modernize its social services and at last permanently eradicate all social services problems within the Districts.

There are various Areas which can be used for Investment as mentioned bellow:

- 1) Bus terminals at Ubungo.
- 2) Areas in Mabibo Markets.
- 3) Auction activities Areas.
- 4)Urafiki area (close to Urafiki Textile Mills).
- 5)Stock shares in business companies e.g. TBL, TCC.

Areas which are given first priority:

Although there are many interesting areas for investment within the Districts', the council foresees tangible areas which if first invested could bring quick economic returns to the Districts'.

Such areas are as follows:

- 1.Ubungo bus terminals.
- 2.Areas for Markets at Mabibo and Mburahati.
- 3.Parking areas.
